Reference and Information Desk staff are available in the Libraries to assist you. **Computer Workstations** for conducting library research are available in all campus Libraries. Check out books and course reserve items at the **Circulation Desks**.

Wireless computer access is available in Library West, Marston Science and many other campus libraries. Check out laptops at Library West or Marston Science Library. For complete information about library computers and software see <<http://www.uflib.ufl.edu/computing.html>>.

Delivering the Libraries to Your Home or Office To connect to licensed journals, ebooks, etc. when not on campus, select **Off-Campus Access** from the Libraries' Home Page. Chat with or email librarians for assistance. Details are at: <<http://www.uflib.ufl.edu/ask>>.

Use your **Gator 1 card** to check out books, and to print at the Libraries. Your **Gatorlink username and password** are used for logging on to library computers and off-campus access to online journal articles, etc.

Classes and tutorials on using the library are available. Faculty interested in library instruction classes should contact the Instruction Coordinator for Humanities and Social Sciences (273-2615) or Sciences and Engineering (273-2868) or their [subject specialist librarian](#).

Photocopying and Computer and Microform Printing are available at all Libraries, using Gator1 cards (not cash). Black and white copies and prints are \$.10 each. Copiers double as scanners with the ability to save to a USB drive. Visitors can ask a librarian for a card, and then add money using a credit card.

Interlibrary Loan will help you obtain articles, books, and other materials not owned at UF. Submit requests electronically by selecting ILLiad at <<http://illiad.uflib.ufl.edu/illiad/>>. Pick up materials at the Library West circulation desk.

Special services are available for users with disabilities. Register at your library circulation desk, and refer to the brochure "Services for Users with Disabilities" available in print or at <<http://www.uflib.ufl.edu/accessibility/>>.
