

	<h1>Key Resources for Architecture</h1>
<p>September 2008</p>	<p>Architecture & Fine Arts Library, University of Florida, Gainesville</p>

These databases are accessible from the UF Architecture and Fine Arts Library Website <http://www.uflib.ufl.edu/afa> , or by using the database locating tools available at <http://www.uflib.ufl.edu/databases.html>. There may be many other useful databases, depending on your research subject. Always feel free to consult library staff for assistance with your search for information.

Design & Architectural History:

★Avery Index to Architectural Periodicals

The Avery Index to Architectural Periodicals indexes more than 2,000 periodicals published worldwide on archaeology, city planning, interior design, and historic preservation, as well as architecture. Coverage is from the 1930s (with selective coverage dating back to the 1860s) to the present.

Art Full Text and Art Index Retrospective

Together these provide indexing for over 500 art journals back to 1929. They cover a wide range of topics including art, architecture, craft, decorative arts, landscape design, motion pictures, museology, and others. These indexes also serve as a comprehensive reference to art reproductions that appear in the indexed publications. *Note: Only selected records in Art Full Text have links to full text articles, and most of those do not include images.*

BHA: Bibliography of the History of Art

Covering European and American art from late antiquity to the present, BHA indexes and abstracts art-related books, conference proceedings and dissertations, exhibition and dealer's catalogs, and articles from more than 2,500 periodicals. BHA is updated quarterly and covers 1973 to the present.

Oxford Art Online

Comprehensive online encyclopedia for all aspects of the visual arts worldwide (including architecture) from prehistory to the present.

Urban Land Institute Development Case Studies

Contains over 450 case studies detailing new approaches and best practices in real estate development. UF Subscription limited to 1 simultaneous user. See Architecture Librarian Ann Lindell for Password.

Building Technologies:

BuildingGreen Suite

The *BuildingGreen Suite* contains three research tools. Articles, reviews, and news from *Environmental Building News (EBN)* are integrated with product listings from the *GreenSpec* products directory and project case studies from the *High-Performance Buildings Database*.

IE Engineering Village/Compendex

Comprehensive interdisciplinary engineering database. Indexes journals, conference proceedings, and trade publications. Coverage is 1884 to present.

Other:

Academic Search Premier and Lexis-Nexis Academic

These databases cover a broad variety of topics and contain substantial amounts of full text material. Particularly useful when beginning research on interdisciplinary topics.

Dissertation Abstracts (with Proquest Dissertations and Theses Full Text)

Indexes every doctoral dissertation completed in the U.S. at accredited institutions for the last 150 years. Includes some master's theses and foreign language dissertations. Full text of many titles included.

RefWorks

An online research management, writing and collaboration tool designed to help researchers easily gather, manage, store and share all types of information, as well as generate citations and bibliographies.
