I, [last name, first name at time of graduation], wish my electronic thesis or dissertation, (ETD) either an MFA thesis in creative writing or a PhD in English, [title of ETD] at the University of Florida to be embargoed for:

PLEASE SELECT ONE:

15 years \_\_\_\_\_ Permanent \_\_\_\_\_

This period would begin on the last day of the month of my graduation. This restriction period will supersede any restrictions selected by the student in the Graduate School EDM system.

During the embargo period, I grant permission to UF to display my bibliographic information and the abstract in the Library catalog. I understand that the actual content of my ETD will be made available to patrons in the Libraries and that patrons accessing the catalog through the UF IP pool will be able to view and download the ETD as well. The title will NOT be made available via Interlibrary Loan (ILL).

Patrons outside of the UF environment will not have access to my ETD.

If I have selected a 15 year embargo, at the end of the embargo period, the intellectual content of my ETD will be made available worldwide unless I request an extension via [ETDextensions@uflib.ufl.edu](mailto:ETDextensions@uflib.ufl.edu).

Sincerely yours,
